

Tommy Romero – The future of Rock'n'Roll

- **Presstext:**

A fresh wave of Rock'n'Roll is rolling in from the city of Bern and it comes from TOMMY ROMERO. A rising artist who breathes new life into the timeless sound of Rock'n'Roll. With his electrifying live shows and bold, playful energy, this Swiss musician wins over crowds of every generation.

TOMMY ROMERO brings the spirit of the great Rock'n'Roll pioneers back to the stage, giving the classics a modern twist that feels both nostalgic and brand new. His music carries hints of many influences, but at its heart it is all about rhythm, attitude and good times.

More than just a performer, TOMMY ROMERO also writes his own songs, keeping the Rock'n'Roll flame burning bright for a new era. His shows get people moving, his sound fills the room, and his energy turns every night into a party.
