

## *Tommy Romero – The Future of Rock'n'Roll*

- **General:**

A breath of fresh air in the world of Rock 'n' Roll is blowing from the picturesque city of Bern, and it comes from TOMMY ROMERO - an emerging band that is redefining the classic sounds of Rock 'n' Roll in an exciting new way. With their electrifying live performances and bold, cheeky sound, these young Swiss musicians are captivating audiences of all ages.

This band, in their mid-twenties to early thirties, doesn't shy away from dominating the stage with classics from legends like Elvis Presley and Chuck Berry. TOMMY ROMERO gives these songs a refreshing and modern twist, winning the hearts of both old-school Rock 'n' Roll enthusiasts and the younger generation.

Influenced by Stray Cats and the legendary Brian Setzer, their sound resonates with the spirit of the genre. With a bold and high-energy stage presence, TOMMY ROMERO is bringing Rock 'n' Roll back to the present, making it accessible to a modern audience.

But TOMMY ROMERO isn't just known for their powerful interpretations. The band also composes their own songs, carrying the classic sound of Rock 'n' Roll into the contemporary era. With new recordings available soon Spotify, they're proving that they are shaping the future of the genre.

Whether young or old, TOMMY ROMERO offers a musical experience that bridges generations. Their shows are a guaranteed dance floor-filler, and their fresh take on Rock 'n' Roll promises to keep the tradition of the genre alive while forging new paths.

Let TOMMY ROMERO carry you away and experience the future of Rock 'n' Roll from Bern, Switzerland. A band that pays homage to the classics while fearlessly exploring new musical horizons. An unforgettable experience for lovers of classic Rock 'n' Roll and for those just discovering it.
